

Financial Policy

Fees:

The office fees are comparable to those charged by other specialists with similar qualifications in this geographic area. Payment is due on the day services are rendered, except in certain cases where arrangements were made with the office in advance.

Insurance:

YOU are responsible for payment of your bill in full at the time of service. If you have insurance, we will provide you with a super-bill (receipt with insurance codes) which you may submit directly to your insurance carrier for reimbursement. Please carefully review your insurance coverage prior to your office visit as policies are often misleading and will rarely pay 100% of billed charges. Insurance coverage is a matter between the patient and his/ her insurance company.

Delinquent Accounts:

In cases where your account becomes past due, we reserve the right to charge a late payment fee of 1.5% per month of the account balance for every month that an account remains overdue, after 30 days.

Cancellation Policy

Please give our office at least 24 hours notice for cancellation, so we are able to fill your appointment slot. You are expected to pay for the time set aside for you for any missed appointment, or if cancellations are made within 24 hours (except in the case of an emergency).

I have read the above terms and conditions and understand the Financial and Cancellation Policies.
